**LATESHA WILLIAMS,**

**Plaintiff,**

**Civil Action 2:22-cv-3561  
Judge Michael H. Watson  
Magistrate Judge Chelsey M. Vascura**

**JARYAH BOBO, *et al.*,**

**Defendants.**

**ORDER**

Plaintiff's Third Motion for Sanctions (ECF No. 58) is **DENIED WITHOUT PREJUDICE**. The undersigned's Preliminary Pretrial Order provides that “[i]f the parties are unable to reach an agreement on any matter related to discovery, prior to filing a motion, they are directed to arrange an informal conference with the Court” and that the parties “must also file any motions relating to discovery within the discovery period.” (Order 2–3, ECF No. 18). Plaintiff failed to request an informal conference prior to filing her Motion, and her Motion was filed a week after the July 26, 2024 discovery deadline. Accordingly, to have the Court resolve this dispute, Plaintiff would first need to move for and obtain an extension of the discovery period, and then email [Vascura\\_Chambers@ohsd.uscourts.gov](mailto:Vascura_Chambers@ohsd.uscourts.gov) to request an informal conference.

**IT IS SO ORDERED.**
